MEMO ENDORSED

RE: Stewart Martin v. LIRR et. al
18-CV-9688 (ALC)(BCM)

Dear Judge Bulsara:

This letter is respectfully submitted to request an adjournment of the Settlement Conference presently scheduled for January 18th, at 2:00 p.m. Prior to this request, I conferred with Plaintiff's attorney and he does not consent to the adjournment.

The adjournment is necessary as certain discovery is still outstanding to allow defense counsel to evaluate Plaintiff's injury claims. Specifically, by letter dated December 15, 2020 Plaintiff's attorney advised that the Plaintiff was involved in a subsequent accident and sustained injury to the same part of his body he is claiming in this case. As a result, Defendant has served a discovery demand for authorizations to obtain copies of medical records for any treatment rendered to the Plaintiff based upon this new accident and injury to his back. This information is crucial since Plaintiff is claiming a lifetime of pain and suffering following his January 2018 slip and fall. Based upon the foregoing, the case is not ripe for a settlement conference and I request the conference be held on one of the following dates: March 30th, April 13th, or April 14th at 2:15 p.m.

Thank you for your kind consideration of this request.

Respectfully submitted,

Paige Graves Esq.

Attorney for Defendant LIRR
